In this course students will visit schools in Pondicherry to observe and interact with teachers and students in their natural learning environments. Daily group meetings will facilitate discussion of experiences and the following topics:

- Preparing for teaching a course
- Teaching the first day of a course
- Introducing a lesson via anticipatory sets
- Designing lesson plans
- Dealing with incivility in the classroom
- Motivating students throughout a semester
- Evaluating students and reducing test anxiety
- Understanding diversity issues in the classroom
- Leading a classroom discussion
- Developing a personal grading philosophy
- Understanding students with disabilities
- Using humor in the classroom
- Using technology in the classroom and in searching for an academic job

APPLICATION DEADLINE: WEDNESDAY, SEPTEMBER 20, 2017
