For your comfort and safety, there are 24-hour security guards at the building. All public areas in the building are equipped with CCTV cameras and all residents receive a personal access card to enter. Unlike most university dormitories, there is no curfew at UR SEOUL. Some public facilities (gym, outdoor garden, etc.) however, have operating hours.

**NETWORKING AND ACTIVITIES**

UR Seoul can accommodate 400 international students from all over the world. We bring students together to socialise in a safe, relaxing, and comfortable environment. There are great opportunities to make new friends, develop networks, and have fun. Enjoy fun and varied programs such as sporting, artistic, and creative opportunities.
